

Sustainable Landscape Finance Coalition

Innovation Hub: Event Structure

Wilderness Foundation Africa | WWF SA

Innovation Hub Events

WORKING TOGETHER ON FINANCIAL SOLUTIONS FOR SUSTAINABLE LANDSCAPES

The Innovation Hub is geared towards hosting events and networking opportunities to facilitate discussion and knowledge exchange regarding green finance interventions and innovations.

Its aim is to foster cross-collaboration and the development of key partnerships to advance sustainable landscape finance in South Africa and beyond through the following events:

1. **Knowledge Exchanges:** 1 hour 30 min topic presentation | 30 min Q&A

Focused knowledge exchange and lesson sharing on a key landscape finance topic with an emphasis on implementation building blocks.

2. **Showcases:** 1 hour 30 min | 45 min showcase | 45 min networking

Platform provided for innovations and bankable projects to showcase themselves in a networking ecosystem of finance and environmental role-players.

3. **Dialogues:** 45 min | 5 min topic intro | 35 min moderated discussion | 5 min closing

Focused dialogue with a landscape finance expert where participants have the opportunity to ask direct questions in a relaxed and interactive format.

Logistics of events:

- Hosted on online platforms: zoom or teams.
- LinkedIn and mailing list sharing of details.
- Open to all.
- Recorded.
- Details noted in reports: Innovation Hub Event Report bi-annually and in GT Reports.
- Follow [schedule](#) of topics and speakers.
